Four, uncompromised.
The new Panamera.

You are invited for an exclusive opportunity to join Porsche at the Quail Lodge Resort and Golf Club to experience a new level of sport driving and luxury.

The Panamera is the first sports car experience meant to be shared by four. An uncompromising engine combines powerful, yet fuel-efficient Direct Fuel Injection (DFI) and seamless, split-second gearshifts of the Porsche Doppelkupplung (PDK) with the fuel-saving Auto Start Stop function. An executive-class interior with real room for four adults and the true performance of a Porsche give passengers and driver a show they won't soon forget. Porsche. There is no substitute.
